## ORDINARY RESOLUTIONS

### Ordinary Resolution Number 1

“Resolved that PricewaterhouseCoopers Inc., as nominated by the Audit and Risk Committee, be re-appointed as independent auditors of the Company to hold office until the conclusion of the next annual general meeting of the Company. It is to be noted that Mr D Hill is the individual and designated auditor who will undertake the Company’s audit for the financial year ending 28 February 2027.”

Note: The Company’s audit committee has considered the sustainability and independence of its auditors and Mr D Hill and has concluded that there is no reason to believe that the auditors have not acted with unimpaired independence at all times. As recommended by the King IV Report on Corporate Governance for South Africa, 2016 (“King Code IV”), the Audit and Risk Committee of the Company further confirmed, with reference to audit quality indicators, that the audit quality for the year ended 28 February 2026 was satisfactory. The Audit and Risk Committee of the Company has therefore recommended that PricewaterhouseCoopers Inc. be re-appointed as auditors of the Company in compliance with section 90(1) of the Act.

#### Reason and effect:

The reason for and effect of this resolution is to re-appoint PricewaterhouseCoopers Inc as auditor of the Company, with Mr D Hill as the individual and designated auditor.

### Ordinary Resolution Number 3

“Resolved that Mr BA Chelius, who retires as director in terms of the MOI of the Company and, being eligible, offers himself for re-election to the Board, be re-appointed.”

Mr Chelius is 58 years of age. He holds the Chartered Accountant (South Africa) and Chartered Financial Analyst designation and is an experienced non-executive director.

### Ordinary Resolution Number 4

“Resolved that Mr J Templeton, who retires as director in terms of the MOI of the Company and, being eligible, offers himself for re-election to the Board, be re-appointed.”

Mr Templeton is 53 years of age. He holds a B.Com.(Hons) and is a Chartered Financial Analyst. He has extensive experience in the property industry. He was the Chief Executive Officer (CEO) of Emira Property Fund for 11 years and was then appointed as CEO of Castlevue Property Fund, a REIT listed on the JSE.

#### Reason and effect:

The reason for and effect of this resolution is to re-appoint Mr J Templeton as an independent non-executive director.

### Ordinary Resolution Number 5

“Resolved that, subject to the provisions of the Act and in accordance with the Listings Requirements (“Listings Requirements”) of the JSE Limited (“JSE”), the Board is hereby authorised to issue Ordinary Shares, or options or securities convertible into Ordinary Shares, for cash, from time to time, subject to the following conditions:

- that this authority is valid until the Company’s next annual general meeting, provided it shall not extend beyond 15 months from the date that this authority is given;
- that the Ordinary Shares which are the subject of the issue for cash must be of a class already in issue, or where this is not the case, must be limited to such securities or rights that are convertible into a class already in issue;
- that securities which are the subject of the issue for cash may not exceed 30% of the Company’s listed equity securities as at the date of this notice of AGM, being 96 419 243 securities (being 30% of 334 097 767 listed shares being 100 229 330, excluding 3 810 087 treasury shares);
- any Ordinary Shares issued under this authority during the period of its validity must be deducted from the above number of Ordinary Shares and the authority shall be adjusted accordingly to represent the same allocation ratio on the event of a subdivision or consolidation of Ordinary Shares during the same period;

- that in determining the price at which an issue of Ordinary Shares may be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price as determined over the 30 business days prior to the date that the price of the issue is agreed between the Company and the party subscribing for the securities;
- that any such issue will only be made to public shareholders, as defined by the Listings Requirements, and not to related parties, save therefore that related parties may participate in a general issue for cash through a bookbuild process provided that (i) related parties may only participate with a maximum bid price at which they are prepared to take-up shares or at book close price. In the event of a maximum bid price and the book closes at a higher price the relevant related party will be “out of the book” and not be allocated shares; and (ii) equity securities must be allocated equitably “in the book” through the bookbuild process and the measures to be applied must be disclosed in the JSE’s Stock Exchange News Service (“SENS”) announcement launching the bookbuild; and
- upon any issue of Ordinary Shares which, together with prior issues of Ordinary Shares during the same financial year, will constitute 5% or more of the total number of Ordinary Shares in issue prior to that issue, the Company shall publish an announcement in terms of paragraph 7.39 of the Listings Requirements on SENS, giving full details hereof, including (i) the number of Ordinary Shares issued, (ii) the average discount to weighted average traded price of the Ordinary Shares over the 30 business days prior to the date that the issue is agreed in writing between the Company and the party/ies subscribing for the Ordinary Shares; and (iii) in respect of the issue of options and convertible securities issued for cash, the effects of the issue on net asset value per share, net tangible asset value per share, earnings per share, headline earnings per share and, if applicable, diluted earnings and headline earnings per share; or (iv) in respect of an issue of Ordinary Shares for cash, an explanation including supporting information (if any), of the intended use of funds.”

### Reason and effect:

The reason for and effect of this resolution is to empower the Board to issue shares, options or securities convertible into shares representing less than 30% of the Company’s unissued Ordinary Shares for cash within the limits imposed by the above terms.

### Ordinary Resolution Number 6

“Resolved that the following authorised but unissued Unspecified Preference Shares (as defined below) be and are hereby placed under the control of the Board, who shall be authorised to issue such unissued Unspecified Preference Shares on such terms and conditions as they may in their discretion deem fit, but subject to the Act, the MOI of the Company and the Listings Requirements:

- 10,000,000 redeemable class C preference shares of no par value having the rights, privileges, restrictions and conditions as determined by the Directors upon issue thereof (“**Unspecified C Preference Shares**”);
- 10,000,000 redeemable class D preference shares of no par value having the rights, privileges, restrictions and conditions as determined by the Directors upon issue thereof (“**Unspecified D Preference Shares**”);
- 10,000,000 redeemable class E preference shares of no par value having the rights, privileges, restrictions and conditions as determined by the Directors upon issue thereof (“**Unspecified E Preference Shares**”),

(the Unspecified C Preference Shares, Unspecified D Preference Shares and Unspecified E Preference Shares, collectively, the “**Unspecified Preference Shares**”) subject to the following limitations:

- the authority will be valid from the date of the AGM until the next annual general meeting of the Company;
- the maximum amount to be raised by the issue of Unspecified Preference Shares is R3,000,000,000;
- the Unspecified Preference Shares may only be issued if the Board is of the opinion, having taken into account prevailing conditions in the South African market for redeemable preference shares, that the commercial and technical terms and features of the relevant Unspecified Preference Shares are in all material respects arms’ length and in line with current market norms (which for clarity will include, without limitation, that the Unspecified Preference Shares will bear a market-related coupon, that they will have a fixed date of maturity, that they will rank in priority to the Ordinary Shares and the non-convertible, non-participating, non-transferable, redeemable preference shares in the share capital of the Company having the preferences, rights, limitations and other terms contemplated in clause 9 of the MOI in respect of distributions and on a winding up, and that they will have voting rights only in limited circumstances);
- if any Unspecified Preference Shares are issued to a related party (as defined in paragraph 9.1 of the Listings Requirements), the issue to such related party shall be subject to a fairness opinion from an independent expert acceptable to the JSE stating that the issue is fair insofar as the Shareholders are concerned; and
- the Unspecified Preference Shares will be non-participating redeemable preference shares, i.e. the rate of dividends and returns payable in respect of the Unspecified Preference Shares will not be a function of the profitability of the Company,

there being no further limitations on the Board’s authority (including on the price at which the Unspecified Preference Shares may be issued).”

### Reason and effect:

The reason for and effect of this resolution is to place the unissued Unspecified Preference Shares under the control of the Board subject to certain restrictions.

### **Ordinary Resolution Number 7**

“Resolved that subject to the passing of Ordinary Resolution number 3, that the following independent non-executive directors of the Company be elected as members of the Audit and Risk Committee of the Company, as a single resolution, until the conclusion of the next annual general meeting of the Company:

- Mr BA Chelius
- Mr RD Fenner
- Mrs B Makhunga

The Board has determined that each of the members of the Audit and Risk Committee standing for election is independent, and that they possess the required qualifications, skills and experience as contemplated in Regulation 42 of the Act and collectively, they have sufficient qualifications and experience to fulfil their duties as contemplated in the Act.”

#### **Reason and effect:**

The reason for and effect of this resolution is to appoint the Company’s Audit and Risk Committee, which will be valid until the next annual general meeting.

### **Ordinary Resolution Number 8**

“Resolved that the following directors of the Company be elected as members of the Social and Ethics Committee of the Company, as a single resolution, until the conclusion of the next annual general meeting of the Company:

- Mr RD Fenner
- Mrs B Makhunga
- Mr GC Lang

The Board has determined that each of the members of the Social and Ethics Committee standing for election possesses the required qualifications, skills, and experience, and collectively, they have sufficient qualifications and experience to fulfil their duties as contemplated in the Act.”

#### **Reason and effect:**

The reason for and effect of this resolution is to appoint the Company’s Social and Ethics Committee, which will be valid until the next annual general meeting.

### **Ordinary Resolution Number 9**

“Resolved that, in accordance with section 30A of the Companies Act, 71 of 2008, as amended by the Companies Amendment Act, Act 16 of 2024, the Shareholders approve the Remuneration Policy of the Company, as set out on pages 9 to 10 of the Integrated Report.”

#### **Reason and effect:**

Section 30A of the Act, as amended, imposes a binding obligation on the Company to present its Remuneration Policy for approval by Shareholders by means of an ordinary resolution at each annual general meeting. Should this resolution not be approved by Shareholders the Remuneration Policy must be presented at the next annual general meeting or at a Shareholders meeting called for the specific purpose of approving the Remuneration Policy. Should this resolution be approved, the Remuneration Policy will remain in force for a period of 3 years from the date of the AGM and must be approved by Shareholders every 3 years thereafter. Where the approved Remuneration Policy requires material amendment prior to the expiry of the three-year period, such amendment may be implemented only after it has been approved by Shareholders by ordinary resolution, either at a special meeting of Shareholders convened for that purpose or at an annual general meeting.

#### **Voting requirement:**

In accordance with section 30A of the Act, this ordinary resolution requires the support of more than 50% (fifty per cent) of the total number of votes exercised by Shareholders to be approved. Compliance with section 30A of the Act constitutes compliance with the Listings Requirements, and it is therefore no longer necessary to seek a non-binding advisory vote from Shareholders.

### **Ordinary Resolution Number 10**

“Resolved that, in accordance with section 30B of the Companies Act, 71 of 2008, as amended, by the Companies Amendment Act, Act 16 of 2024, the Shareholders approve the implementation report of the remuneration policy of the Company as set out on pages 9 to 10 of the Integrated Report and as supplemented hereinbelow with the information required in terms of section 30B(3)(c)(ii to iv) of the Act.”

#### **Reason and effect:**

Section 30B of the Act imposes a binding obligation on the Company to present its remuneration implementation report for approval by Shareholders at each annual general meeting. The remuneration report must, amongst other things, include a copy of the Company’s Remuneration Policy together with an implementation report disclosing: (i) the total remuneration received by each director and prescribed officer; (ii) the total remuneration of the highest-paid employee; (iii) the total remuneration of the lowest-paid employee; (iv) the average remuneration of all employees; (v) the median remuneration of all employees; and (vi) the remuneration gap ratio between

the top 5% highest-paid employees and the bottom 5% lowest-paid employees. These disclosures are set out in the Integrated Report and as supplemented in this Notice under the heading “**Supplementary Information relating to Ordinary Resolution Nr. 10 in terms of section 30B(3)(c)(ii to iv) of the Act: Remuneration Implementation Report**”. Should this resolution not be approved by Shareholders, the Remuneration Committee must, at the next annual general meeting, present an explanation to Shareholders on the manner in which Shareholders’ concerns have been taken into account, and the non-executive directors serving on the Remuneration Committee must stand for re-election as members of the Remuneration Committee at the annual general meeting where the abovementioned explanation is presented. Should the remuneration report again not be approved by ordinary resolution at the annual general meeting in the year immediately following, the non-executive directors serving on the Remuneration Committee may become ineligible to serve on the Remuneration Committee for a period of two years thereafter, save for any such director who has served on the Remuneration Committee for less than 12 months during the financial year under review.

**Voting requirement:**

In accordance with section 30B of the Act, this ordinary resolution requires the support of more than 50% (fifty per cent) of the total number of votes exercised by Shareholders to be approved. Compliance with section 30B of the Amendment Act constitutes compliance with the Listings Requirements, and it is therefore no longer necessary to seek a non-binding advisory vote from Shareholders.

**Ordinary Resolution Number 11**

“Resolved that the mandate given to the Company (or one of its subsidiaries) providing authorisation, by way of a general authority contemplated in sections 46 and 48 of the Act, and paragraph 7.84 of the Listings Requirements, to acquire the Company’s own securities, upon such terms and conditions and in such amounts as the Board may from time to time decide, but subject to the provisions of the Act and the Listings Requirements, be extended, subject to the following:

- any repurchase of securities must be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the Company and the counter-party;
- authorisation be given by the MOI of the Company;
- this general authority will be valid until the Company’s next annual general meeting, provided that it shall not extend beyond fifteen months from date of passing of this Ordinary Resolution Number 11;
- repurchases may not be made at a price greater than 10% above the weighted average of the market value of the securities for the five business days immediately preceding the date on which the transaction is effected;
- at any point in time, the Company may only appoint one agent to effect any repurchase;
- a resolution by the Board that it has authorised the repurchase, that the Company and its subsidiary/ies have passed the solvency and liquidity test and that, since the test was performed, there have been no material changes to the financial position of the Group;
- a SENS announcement will be published as soon as the Company has cumulatively repurchased 3% of the initial number (i.e. the number of that class of share in issue at the time that the general authority is granted) of the relevant class of securities and for each 3% in aggregate of the initial number of that class acquired thereafter, containing full details of such repurchases in compliance with paragraphs 7.90 of the Listings Requirements;
- repurchases by the Company in aggregate in any one financial year may not exceed 20% of the Company’s issued share capital as at the date of passing of this Ordinary Resolution Number 11 or 10% of the Company’s issued share capital in the case of an acquisition of shares in the Company by a subsidiary of the Company; and
- repurchases may not be undertaken by the Company (or one of its subsidiaries) during a prohibited period; unless the Company or the subsidiary has a share repurchase programme in place, the dates and quantities of shares to be traded during the relevant period are fixed and full details of the programme have been submitted to the JSE in writing prior to the commencement of the prohibited period. The Company must instruct an independent third party, which makes its investment decisions in relation to the issuer’s securities independently of, and uninfluenced by, the issuer, prior to the commencement of the prohibited period to execute the repurchase programme submitted to the JSE.”

In accordance with the Listings Requirements the Board records that although there is no immediate intention to affect a repurchase of the securities of the Company, the directors of the Company will utilise this general authority to repurchase shares as and when suitable opportunities present themselves, which opportunities may require expeditious and immediate action.

The Board intends either to hold the securities purchased in terms of this authority as treasury securities or to cancel such securities, whichever may be appropriate at the time of the repurchase of securities.

The Board is of the opinion that, after considering the provisions of sections 4 and 48 of the Act and the effect of the maximum repurchase permitted and for a period of 12 months after the date of this Notice:

- the Company and the Group will be able, in the ordinary course of business, to pay its debts as they become due;
- the assets of the Company and the Group will be in excess of the liabilities of the Company and the Group, the assets and liabilities being recognised and measured in accordance with the accounting policies used in the audited consolidated annual financial statements of the Company for the financial year ended 28 February 2026;
- the working capital of the Company and the Group will be adequate for ordinary business purposes; and
- the share capital and reserves are adequate for the ordinary business purposes of the Company and the Group.

**Reason and effect:**

The effect of Ordinary Resolution Number 11 and the reason therefore is to extend the general authority given to the Board in terms of the Act and the Listings Requirements for the acquisition by the Company (or one of its subsidiaries) of its own securities, which authority shall be used at the Board’s discretion during the course of the period so authorised.

**Ordinary Resolution Number 12**

“Resolved that any director of the Company or the company secretary of the Company be and is hereby authorised to do all such things, sign all such documents and take all such actions as may be necessary for or incidental to the implementation of the resolutions to be proposed at the AGM.”

**Reason and effect:**

The reason for Ordinary Resolution Number 12 is to authorise any director or the company secretary of the Company to attend to the necessary requirements to implement the special and ordinary resolutions passed at the AGM and to sign all documentation required to record that the Company will be authorised to attend to any matter regarding the implementation of the special and ordinary resolutions on behalf of the Company.

**SPECIAL RESOLUTIONS**

**Special Resolution Number 1**

“Resolved that the directors’ remuneration to be paid by the Company for services rendered from the date of the AGM be confirmed to be as follows:

**Non-executive directors’ fees**

Board	ZAR (excl. VAT)
Chairperson	902 000
Lead Independent Director	331 000
Members (in total)	2 885 000

**Reason and effect:**

In terms of section 66(8) and (9) of the Act, non-executive directors’ fees for their services to the Company, must be approved by way of a special resolution passed by Shareholders within the previous two years. Accordingly, the reason for and effect of Special Resolution Number 1 is to approve the payment of and the basis for calculating the proposed remuneration payable by the Company to its non-executive directors for the period ending 28 February 2027 and for further periods until such a time that the validity of the resolution expires in terms of the Act.

**Special Resolution Number 2**

“Resolved that the Company be and is hereby authorised, in terms of section 45(3)(a)(ii) of the Act and the MOI of the Company, to, on the instructions of its Board, provide direct or indirect financial assistance to a director or prescribed officer of the Company or of a related or inter-related company, or to a related or inter-related company or corporation, or to a member of a related or inter-related company or corporation, or to a person related to any such company, corporation, director, prescribed officer or member.”

**Additional information:**

If the Board provides the aforesaid financial assistance the Company will, in compliance with section 45(5) of the Act, provide written notice to all Shareholders and to any trade union representing its employees, within 10 business days after the Board adopts the resolution, if the total value of all loans, debts, obligations or assistance contemplated in this Special Resolution Number 2, together with any previous such resolution during the financial year, exceeds one-tenth of 1% of the Company’s net worth at the time of the resolution; or within 30 business days after the end of the financial year, in any other case.

The Board considers that such a general authority should be put in place in order to assist the Company *inter alia* to make loans to persons, including foreign subsidiaries, as well as to grant letters of support and guarantees in appropriate circumstances. The existence of a general authority would void the need to refer each instance to Shareholders for approval. This general authority would be valid up to and including the 2027 annual general meeting.

Any section 45 Board resolution will be subject to and effective to the extent that Special Resolution Number 2 is adopted by Shareholders and the provision of any such direct or indirect financial assistance by the Company, pursuant to such resolution, will always be subject to the Board being satisfied that immediately after providing such financial assistance, the Company will satisfy the solvency and liquidity test as referred to in section 2 of the Act and the terms under which the financial assistance are proposed to be given are fair and reasonable to the Company.

**Reason and effect:**

The reason for and effect of the Special Resolution Number 2 is to grant the Board the general authority to provide direct or indirect financial assistance (including loans and guarantees) to, amongst others, a related or inter-related company or members or persons related to such company, director, prescribed officer, or corporation.

**Special Resolution Number 3**

“Resolved that the Board be and is hereby authorised, by way of a general approval, in terms of section 44(3)(a)(ii) of the Act and the MOI of the Company, to authorise the Company to provide direct or indirect financial assistance by way of loan, guarantee, the provision of security or otherwise to any person for the purpose of or in connection with the subscription of any options or securities, issued or to be issued by the Company or a related or inter-related company or for the purchase of any securities of the Company or a related or inter-related company.”

**Reason and effect:**

The Board considers that such a general authority should be put in place in order to assist the Company *inter alia* to make loans to persons, including subsidiaries, as well as to grant letters of support and guarantees in appropriate circumstances, for the purpose of the subscription or purchase of any option or securities of the Company or related or inter-related companies. The existence of a general authority would avoid the need to refer each instance to Shareholders for approval. This general authority would be valid up to and including the 2027 annual general meeting.

Any section 44 Board resolution will be subject to and effective to the extent that Special Resolution Number 3 is adopted by Shareholders and the provision of any such direct or indirect financial assistance by the Company, pursuant to such resolution, will always be subject to the Board being satisfied that immediately after providing such financial assistance, the Company will satisfy the solvency and liquidity test as referred to in section 2 of the Act; and that terms under which the financial assistance is proposed to be given are fair and reasonable to the Company.

The effect of Special Resolution Number 3 and the reason therefor is to grant the Board the general authority to provide direct or indirect financial assistance by way of a loan, guarantee, the provision of security or otherwise to any person for the purpose of, or in connection with the subscription of any option, or any securities, issued or to be issued by the Company or a related or inter-related company or for the purchase of any securities of the Company or a related or inter-related company.

**Other business**

To transact such other business as may be transacted at an annual general meeting or raised by Shareholders with or without advance notice to the Company.

## **PROXIES**

All registered Shareholders will be entitled to attend and vote only by proxy at the AGM. A form of proxy is attached for completion by certificated Shareholders and dematerialised Shareholders with "own name" registration. Forms of proxy must be deposited at Computershare Investor Services Proprietary Limited, Rosebank Towers, 15 Biermann Avenue, Rosebank, 2196, South Africa (Private Bag X9000, Saxonwold, 2132) or emailed to proxy@computershare.co.za, so as to arrive by no later than 48 hours before the commencement of the AGM, for administration purposes. Clause 23.7 of the MOI grants the Board or the chairman of the AGM the right to allow the form of proxy to be effective for purposes of voting at the AGM if the form of proxy is validly executed and received after this time but before the commencement of the AGM. Certificated Shareholders and dematerialised Shareholders with "own name" registration who complete and lodge forms of proxy, will nevertheless be entitled to attend but not vote at the AGM, should they subsequently decide to do so. Dematerialised Shareholders, other than "own name" registration, must inform their CSDP or broker of their intention to attend the AGM and obtain the necessary authorisation (letter of representation) from the CSDP or broker to attend the AGM, or provide their CSDP or broker with their voting instructions, should they not be able to attend the AGM via teleconference. This must be done in terms of the custody agreement entered into between the Shareholder and the CSDP or broker concerned.

1. A shareholder may at any time appoint any individual, including a non-shareholder of the company, as a proxy to participate in, speak and vote at a shareholders’ meeting on his/her behalf, or to give or withhold consent on behalf of the shareholder to a decision in terms of section 60. **[section 58(1)(a) & (b)]**
2. A proxy appointment must be in writing, dated and signed by the shareholder, and remains valid for one year after the date on which it was signed or any longer or shorter period expressly set out in the appointment, unless it is revoked in terms of paragraph 6.3 below or expires earlier in terms of paragraph 10.4 below. **[section 58(2)]**
3. A shareholder may appoint two or more persons concurrently as proxies and may appoint more than one proxy to exercise voting rights attached to different securities held by the shareholder. **[section 58(3)(a)]**

5. A copy of the proxy instrument must be delivered to the company, or to any other person acting on behalf of the company, before the proxy exercises any rights of the shareholder at a shareholders’ meeting and in terms of the MOI. **[section 58(3)(c)]**
6. Irrespective of the form of instrument used to appoint a proxy:
  - 6.1. the appointment is suspended at any time and to the extent that the shareholder chooses to act directly and in person in the exercise of any rights as a shareholder; **[section 58(4)(a)]**
  - 6.2. the appointment is revocable unless the proxy appointment expressly states otherwise; and **[section 58(4)(b)]**
  - 6.3. if the appointment is revocable, a shareholder may revoke the proxy appointment by cancelling it in writing or by making a later, inconsistent appointment of a proxy, and delivering a copy of the revocation instrument to the proxy and to the company. **[section 58(4)(c)]**
7. The revocation of a proxy appointment constitutes a complete and final cancellation of the proxy’s authority to act on behalf of the shareholder as of the later of the date stated in the revocation instrument, if any, or the date on which the revocation instrument was delivered as contemplated in paragraph 6.3 above. **[section 58(5)]**
